Preparations for Presentation Night, Friday 14 December are well underway. The Carinda Hall has been hired with students practising there from next Monday through until Friday evening's event. We extend an invitation to all the community to come along and share the celebration of our students' achievements and enjoy our production of Aladdin. The evening begins at 6:30pm with students requested to be at the hall by 6:10pm in full summer uniform.

Final requests for props and pieces of costume have been sent home with students. Thank you to those families who have already sent these items to school.
