As we draw to the end of a very disrupted term I would like to thank the parents and staff for their efforts this term. Many parents have had the very difficult task of returning to learning from home due to the road closures and wet weather days, which has definitely been challenging. Staff have travelled around long distances and stayed away from their families and homes for the past few weeks which again is extremely challenging for both themselves and their families, though their dedication to the school and the students is greatly appreciated.

We all hope that next term allows for the return of some normality for everyone.

We have unfortunately had to postpone many of planned activities this term due to the wet weather and road closures. Book fair, school photos, gymnastics and hockey will all be scheduled next term.

From the staff and myself, we hope everyone has a safe and restful holiday and we look forward to seeing everyone back for our last term of 2022 on Monday 10 October.

Beat Boxing

On Friday 9 September we had a special visitor to the school, professional beatboxer, Jobe. Jobe ran a beat boxing in the morning teaching the students different techniques to beat box and 4 specific sounds to practice. The students had a wonderful time learning to beat boxing and engaged enthusiastically on the day. Unfortunately, due to the rain the night before, Quambone students we not able to join us in person on the day, instead they joined us through a zoom session online.

Lake Keepit Excursion

Week 3, next term, k-6 students will set off for their sport and rec camp at Lake Keepit. We will be joined by the Quambone school students and staff. We are looking forward to our excursion as it will be the first we have been able to join with another school overnight since 2019.

Permission notes were sent out this week with students, these are different to the form filled in online so must be completed and returned by Friday 14 October, week 1 next term.

School Photo's

A reminder for families wishing to purchase their children's school photos must complete the online purchasing form that was sent out on a Skoolbag post earlier this term.

School photos will be held week 5, Tuesday 8th November. Students will be required to wear full summer uniform including black school shoes, and for girls this will mean their summer dress not the sports uniform.

Swimming—Term 4

We will begin swimming for sport again in term 4. We will notify parents next term of the start week for swimming once we have confirmed the opening date of the pool.

We will also hold discussions early next term regarding the possible change of sport day due to pre school being held on Fridays.

Preschool students will not be joining us for swimming lessons this year due to ratio constraints.
